

BE A RESIDENT ASSISTANT FOR A LIVING LEARNING COMMUNITY!

Being an RA for a LLC means taking on some differing job responsibilities:

- Support the mission and vision of the LLC on your floor.
- Serve as a member of the team for your LLC, which includes the LLC Coordinator, Hall Coordinator, RA(s), and academic partners.
- Attend and actively contribute to regular LLC team meetings. Share updates and trends from your floor and any student concerns that might be affecting the LLC.
- Communicate on a regular basis with your LLC team about events and community development.
- Solicit feedback and ideas from residents and look for leaders in the community as needs arise.
- Be knowledgeable about upcoming LLC events, encourage residents to attend, and attend yourself.
